

# SNAP, CRACKLE, POP – IT'S CHRISTMAS!

## Group 1:

Snap, what a happy sound,  
Snap is the happiest sound I found,  
You may clap, rap, tap, slap, but Snap makes the world go round.  
Snap,

**Group 2:** Crackle,

**Group 3:** Pop –

**All:** It's Christmas!

## Group 2:

I say it's Crackle, the Christmas sound,  
You gotta have Crackle or the clock's not wound,  
Geese cackle, feathers tickle, belts buckle, beets pickle, but Crackle makes the world go round.

**Group 1:** Snap,

**Group 2:** Crackle,

**Group 3:** Pop –

**All:** It's Christmas!

## Group 3:

I insist that Pop's the sound,  
The best is missed unless Pop's around,  
You can't stop hoppin' with the fireplace poppin',  
Pop makes the world go round.
